

# Let the Magic Begin...

In Maths this term, we will be learning all about money and multiplication and division. If you are able to practise times tables at home, this will really support your child's learning!

In PSHE, we will be thinking about dreams and goals. This will include thinking about how to look at successes and failures and work with others to achieve!

In English, we will be taking a magical journey into a book called 'Leon and the Place Between.' The children will be writing their very own creative, suspense stories and recounts!

In RE this term, we will be focussing on Islam and learning about Mohammed.

In Geography, we will be looking at our knowledge of the world and the British Isles.

In Science this term, we are looking electricity and being safe with it. We will also be sorting items into electrical and not electrical and looking at simple circuits!

In Art, we will be doing portraits and self portraits.

**Specialist Subjects:**

With Mr Dawson in computing, we will be looking at 'E-Safety.'

We are going to be focussing on our singing and performance skills with Mr Avery in our Music lessons.

In PE, we will be doing basketball and netball for competitive sport and gymnastics with Mr P.
