

Vincent Van Gogh! (Again!)

In Maths this term, we are going to be continuing our learning about fractions and then moving on to time. The children are now also introduced to Times Tables rockstars, this is an incredibly helpful tool with their Times Tables so any practise they can do is brilliant!

In English we will be introducing 'talk for writing' and looking at a Model Text based on 'Camille and the Sunflowers', building up to write our own character description.

Our Science learning this term will continue to be all about Plants. We will be observing and describing how seeds and bulbs grow and investigating what they need to grow.

In History this term, we will be taking a look back into the past, looking at changes and thinking about how different life would look for us if we were born long ago!

In our Art this term, we will continue to look at Van Gogh and we will be using both pencils and paint to explore the themes of colour, texture, shadows and other effects.

In RE, we will be learning about places where different people go to worship.

In PSHE, we will be looking at Relationships with our family, friends and school community.

Specialist Subjects

In PE we will be having a go at some soft ball tennis and cricket techniques. We will also be continuing our Dance work with Mrs Stewart.

In Computing, we will be looking at Problem Solving with Mr Poston, programming objects and systems.

In Music, with Mr Avery, we will be learning all about rhythm and composition on our Djembe drums!
