

ANIMAL KINGDOM

In Maths this term, we will be continuing fractions and then moving onto telling the time. If you could practice fluency such as number bonds and times tables, that would be amazing!

In Geography this term, we will be learning about Northern Europe - learning about flags, different countries and migration.

Specialist Subjects

In PE we will be having a go at some soft ball tennis with Mr P and some OOA work with Miss Dunton and Mr Avery.

In English, we will write a recount of our Easter holidays and then we will be writing our own 'beating the monster' story based on zebras and lions!

In our DT this term, we will be sewing our own pencil cases!

In Computing, we will be looking at Problem Solving with Mr Dawson and Poston, programming objects and systems.

We will be looking at Buddhism in RE.

In Music, with Mr Avery, we will be learning all about rhythm and composition on our Djembe drums!

Our Science learning this term will be all about materials - we will discuss the properties of materials, learn about microscopes and also study solids and liquids.

In PSHE, we will be looking at Relationships with our family, friends and school community.

As the weather gets warmer, please ensure your child comes to school prepared (labelled hats, sunnies, sunscreen!)
