

Year 4 - Term 5

Make a change!

PSHE

In PSHE, we are going to be looking at our new unit on 'Relationships.'

Maths

In Maths this term, we will be completing our decimals unit before moving on to money. Please continue with your wonderful efforts on TTRockstars.

LKL: Spellings are on Google Classroom each week. Please check GC for LKL which is uploaded each week.

We will no longer be using mymaths - this is going to be replaced with 'insight.' Passwords will be available at the beginning of next term.

Science

In Science, we will be learning all about states of matter.

Geography

In Geography, we are going to be learning all about the countries and climates in Europe.

DT

Year 4 are very fortunate to be cooking this term. The children will be making ratatouille and couscous.

RE

The children will be learning about Christianity this term, exploring the question 'do people need to go to church to show they are Christians?'

English

We are going to be writing a 'story about a child who is very disappointed with a birthday present they have received...

Reminders:

*Please send your child with a named water bottle containing only water.

As the weather is getting warmer, you may wish to send your child in with a hat and named sun cream for them to apply when needed.

Specialist Subjects

PE

In PE, the children will be participating in athletics and orienteering.

The children will also be swimming every Wednesday this term! Please see letter for further details.

Computing

Year 4 will be learning some more programming in computing with Mr Dawson and Mr Poston.

Spanish

In Spanish, we will be exploring some different types of transport as well as some of our likes and dislikes.

Music

We can't wait to learn some more keyboard skills with Mr Avery.
