

ALL ABOARD!

In Maths this term, we will be learning all about addition and subtraction before moving on to shape.

In Science this term, we are looking at animals and their habitats. We will be comparing habitats as well as learning about different plants and animals all over the world!

In PSHE, we will be thinking about how we can celebrate difference.

In English, we will be reading the amazing text 'The Polar Express.' We will even watch the film as a special treat! From this, we will be writing a journey story focussing on settings using our Talk for Writing! Then, we will write some fact files about arctic animals!

We will also be performing a fantastic Christmas Nativity! This will be shown on two dates - Tuesday 17th and Thursday 19th December at 2pm and tickets will be given nearer the time.

Specialist Subjects:

With Mr Dawson in computing, we will be looking at 'Programming.'

We are going to be playing on steel drums with Mr Avery in our Music lessons.

In PE, we will be doing rugby with Mr P and dance with Miss Dunton/Mr Avery!

In RE this term, we will be looking at Islam and how muslims live.

In DT, we are learning about Moving Pictures, Sliders and levers and having a focus on trains and tunnels to match our Polar Express learning!

In Spanish, we are learning to count to 10!

A huge thank you!

You have been fabulous at sending in the reading books on a Thursday and home learning engagement has been phenomenal! We thank you so much for this!
