

In Maths this term, we will be learning all about addition and subtraction before moving on to shape.

ALL ABOARD!

In English, we will be reading the amazing text 'The Polar Express.' We will even watch the film as a special treat! From this, we will be writing a description, a fact file and a narrative! We can't wait!

We will also be performing a fantastic Christmas show with lots of facts and songs. Watch out for the date.

Specialist Subjects:

With Mr Dawson in computing, we will be looking at 'Programming.'

We are going to be playing on steel drums with Mr Avery in our Music lessons.

In PE, we will be doing rugby and hockey and gymnastics with Mrs Stewart.

In RE this term, we will be focussing on Christianity and talking about the celebration of Christmas.

In DT, we are going to be creating our own trains with wheels and axles. If you do find yourselves with any cardboard e.g. tubes, cereal boxes etc. We would really appreciate these for our junk modelling!

In Science this term, we are looking at materials, their properties and their suitability to different uses. We will also look at the scientist Charles Goodyear who invented rubber.

In PSHE, we will be thinking about how we can celebrate difference.

LKL is checked on Fridays so please bring in Link Books then. Thank you!
