

## English

During Term 1 in our reading and writing lessons, we will be analysing the genres of narrative, powerful description and informal letter.

## PSHE (Jigsaw)

'Celebrating Difference' is our first topic. We will look at ways in which differences can cause conflicts, as well as how they can also be a cause for celebration.

## Science

'Light' is our first Science topic. In this physics unit, we will be learning all about how light travels and how we see things through lots of exciting, practical activities.

## History

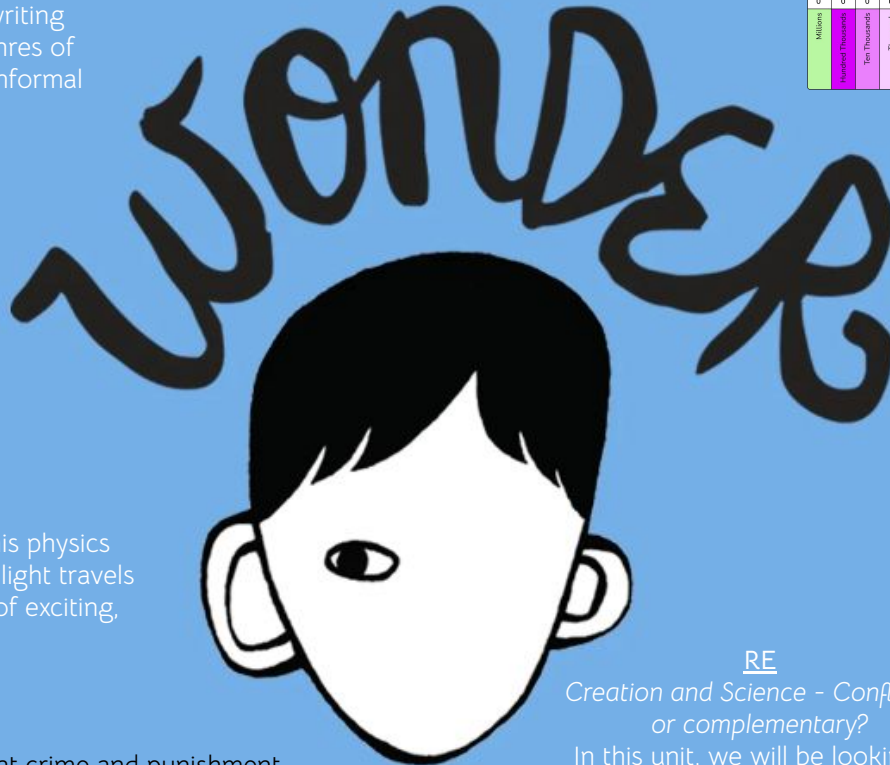

This term Year 6 will be looking at crime and punishment throughout history with a particular focus on the Victorian era. We will be looking at how attitudes and laws have changed over the centuries, as well as trying out some of the Victorian punishments!

## Maths

Our first unit of Year 6 maths is Number and Place Value. We will be working with numbers to 10,000,000; recognising them, ordering and comparing them and we also work with negative numbers.

M	HT	T	H	T	O	T	H	O	O
0	0	0	0	0	0	0	0	0	0
Millions	Hundred Thousands	Ten Thousands	Thousands	Hundreds	Tens	Ones	Tenths	Hundredths	Thousandths

We will be swimming every Wednesday this term.

## Art

In art this term we will be using the story of Wonder to inspire our artwork. We will be printing some emotional portraits.

## Specialist Subjects

**Computing:** The Ethics of a Digital World

**Spanish:** Geography (Spanish-speaking countries)

**Music:** Strings (Ukulele)

**PE (Mr Field):** Football

**Movement (Mrs Stewart):** Dance

## RE

*Creation and Science - Conflicting or complementary?*

In this unit, we will be looking at connections between how Christians believe that the Earth was created, and how it links with science.

## Reminders

- PE days for both classes is a Tuesday. Please ensure the pupils have a PE kit in school.
- Whilst the weather is still hot, please ensure all children have a water bottle in school.
