

Welcome back!

We hope you had a fabulous Festive break with your family and are ready to kick start a fabulous term 3. This term we will become real life superheroes as we go on secret missions, solve problems and help save the world! We will end the term with a superhero day where the children can dress up as their favourite superhero character.

### Literacy

In Literacy, we will be looking at a range of ways to help save the planet. We will look at becoming real life superheroes.

We will continue to practise our segmenting and blending skills to help us with our reading and writing. We will be learning to read and write CVC words and simple phrases.

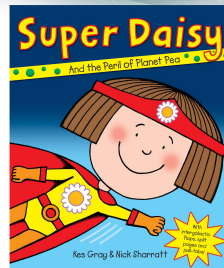

### Trip

We have our school trip planned to Kiddicity. We are very excited to learn about different careers as part of Careers week.

Wednesday 7th February - Noah's Ark

Thursday 8th February - Yellow Submarine

# How Can We Save The World?

### First week back:

To support us with our superhero core text, 'Supertato' please can we ask each child to bring in a vegetable. We would appreciate a variety e.g potatoes, leeks, carrots, parsnips, broccoli, mini sweetcorn, onions or a vegetable of your choice.

### Maths

In Maths, we will be learning to subitise (recognise small quantities without counting), understand all numbers are made up of smaller numbers e.g a 4 can be made up of a 2 and 2, 3 and 1. We will be exploring weight and capacity.

### PE

In PE we will be developing our gymnastic skills. We will learn to travel with confidence and skill around, under, over and through balancing and climbing equipment. Our PE day is on a Thursday, please come to school in your PE kit.
