

Geography

We will be studying settlements this term - we will explore what settlements are, what types of settlements exist and how they are different, yet all important.

English

This term we will be focusing on writing a suspense story! We will look closely at how authors build suspense for their readers, and how texts can make readers feel.

Let's Rock!

Year 3 Term 3 Newsletter

Art: We will be looking at still life and form

Computing: Online safety

Music: Keyboards

PE: Basketball and Gymnastics

PSHE: Dreams and Goals

RE: Christianity: Did Jesus perform miracles, or is there some other explanation?

Science

In Science, our unit of learning is 'Rocks'. We will be exploring how rocks are formed, what 'permeability' is, how fossils are created and what on earth soil is!

Important information:

- During the cold months, it is really important that all children have coats in school, and your child may be kept in at playtime if they do not have one on a particularly cold day.
- Please ensure ALL property is named.
- Please encourage your child to complete LKL each week. It really is valuable to their learning.
- Please remember toys and teddies are NOT permitted in school. Any toys in school will be kept in a secure cupboard and returned to an adult at the end of the day.

Maths

In maths this term, we will continue with multiplication and division, and will also be exploring length and perimeter.
