

Maths

For maths this term, we will be continuing our learning on multiplication and division.

We will then move onto our first unit on fractions which will involve recognising equivalents, comparing and ordering them.

Science

This term we will cover properties and changes in materials. We will explore reversible and irreversible changes as well as how to separate different materials.

History

In history, we will be learning about the early British empire and what motivated Britain to Build an Empire?

Art

We will be looking at different styles of art which leads up to painting their own abstract artwork.

PSHE

PSHE will focus on learning about other people differences including culture and religion and how that makes us all unique.

Langney Keeps Learning

In Term 2 children will continue to be set LKL homework. This consists of a CGP English task, MyMaths, TTRockstars, daily reading recorded on Boom Reader and spellings.

A Kind of Spark!

In term 2, our topic will be based around our core text: 'A Kind of Spark!' We will discuss neurodivergence and write stories based on this amazing story.

RE

We will be learning about Christianity and thinking about 'Why do Christians believe that Jesus was the Messiah?'

English

In Term 2, we will be writing portal stories where the characters have to help somebody who is in a witch trial after they are transported through a portal back in time. The children will also be doing some non-fiction writing towards the end of the term.

Music

Keyboard - In music with Mr Avery, the children will be composing using only two chords.
