

# Vincent Van Gogh!

In Maths this term, we are going to continue our learning on Multiplication and Division before moving on to fractions. Any Times Tables practise you can do at home would be really useful for their multiplication and division! We will put some links on google classroom!

In English we will be writing a narrative story based on the book 'Katie goes to London'.

Our Science learning this term is all about Plants. We will be observing and describing how seeds and bulbs grow into mature plants and investigating what they need to grow.

In Geography this term, we will be using maps, atlases and globes to locate and identify different places. We will use simple fieldwork to study our local area!

Our Art this term will focus around the medium of sculpture, we will be making our own clay flower pots and thinking about using tools to create shape, lines and texture.

We will be looking at Christianity in RE this term, particularly the Easter story.

In PSHE, we will be focusing on 'Healthy Me!' learning about how to keep our minds and bodies healthy.

## Specialist Subjects

In PE we will be playing Handball. We will also be doing some Gymnastics work with Mrs Stewart.

In Computing, we will be looking at Data Handling with Mr Poston, organising data into charts and using simple formulae.

In Music, with Mr Avery, we will be continuing with our learning on tuned percussion using the boomwhackers and steel drums.
