

Spacebound

In term 4, we will be delving into the great unknown of space. Through our lessons we will be finding out answers to the following questions:
Why is the Earth spherical? How do the planets remain in orbit around the sun? Why do we have different seasons?

What are the phases of the moon?

English

We will be using the book 'Cosmic' to inspire and help us to structure and write a narrative. We will then move onto a balanced argument where we will be arguing 'Should humans travel to Mars?' and we will finish the term with space poetry.

Maths

In term 4 we will be turning our attention to fractions. We have recapped Year 4 learning on this and we will be progressing onto Year 5 fractions work this term.

RE

We will be focusing on the Christian festival of Easter in term 4. Our key question will be: *Did God intend Jesus to be crucified and if so, was Jesus aware of this?*

PSHE

'Healthy Me' is our term 4 topic. Through our Jigsaw scheme, we will be looking at the different ways we can keep our bodies healthy and how some of the choices we make, influence the way we feel.

Art

We will be drawing in term 4, focusing particularly on the effects of light in pictures. In addition to this, we will be exploring the medium of indian ink.

Langney Keeps Learning

In Term 4 children will continue to be set LKL homework. This consists of a CGP task, MyMaths, TTRockstars, Reading and Spellings. Please ensure you are completing as much of this as you can.

Music

In music we will be continuing to develop our skills on the keyboard.

Geography

In term 4, we will be developing our fieldwork skills using maps and compasses.

Science

'Earth and Space' is the name of our term 4 science topic. Our key Scientist is Aristotle. We will be linking our Science to our Art.
