

# We Could be Heroes

This Term we will be conducting our learning through the theme of heroes; both the super and the every-day kind.

We are starting the topic with the story 'Eliot Midnight Superhero'. The story is all about Eliot who by day, is a quiet boy who likes to read. But when the clock strikes midnight, Eliot is a superhero!

We will be using this as a stimulus for our writing as well as other exciting superhero texts such as Supertato! We will continue to use our phonic sounds, (learning and using Phase 5 sounds) as well as punctuating our sentences correctly.

We are also working very hard on forming our letters and numbers correctly.

## Nativity:

This year we will be doing a Nativity.  
More information will follow.

In Maths we will be working with numbers up to 20, building on previous learning; focusing on addition and subtraction using the part whole model. We will be looking at how numbers are made up of tens and ones, finding one more and one less. We will be writing, ordering and comparing numbers and also naming 2D and 3D shapes.

In Science we will be looking at the seasons and the changes that happen through each one as well as learning about animals including humans, exploring our senses and labelling our body!

In DT we will be building free standing structures. We will be looking to build a skyscraper or a superhero's hideout. If you have any junk modelling at home that you could spare us, we would really appreciate it for example, kitchen roll tubes, cereal boxes and egg boxes etc.

In History we will be looking at events beyond living memory that are significant nationally and globally, for example Bonfire Night.

In Religious Education we are looking at Christianity and The Christmas Story.

## Reminders:

- Please remember the children should only have water in their bottles at school.
- Please make sure all of your child's clothes are named; including PE kits, hats, scarves and gloves. Thank you
- PE days are Tuesday's and Friday's for Jolly Roger and Wednesday and Friday for Royal Ship.
- For tracking the home reading, we will only be counting one read per day towards the certificate.
- There is a google classroom app, which you can download on your phone to access your child's homework.

## Dates for your diary:

- First day of term - 30<sup>th</sup> October.
- Children In Need - 17<sup>th</sup> November
- Last day of term - Friday 15<sup>th</sup> December

Please see the school website for other dates.
