

# E s c a p e

In Mathematics we will start the term by continuing with our Four Operations unit ( + - x ÷ )  
We will then be moving onto Fractions.

## Science

Our Biology unit will be focused on Taxonomy. We will be exploring the work of Carl Linnaeus and how his Taxonomy helps us to classify living things.

## Specialist Subjects

**Computing:** Robotics using the OhBot  
**Spanish:** Our World  
**Music:** String - Ukulele

## PE

Rugby and Dance.

Please remember PE kits every Monday and Tuesday. Thank you.

In our writing this term, we will be researching famous refugees and writing a biography about them. We will also be writing a recount in the form of a diary entry and a non-chronological report.

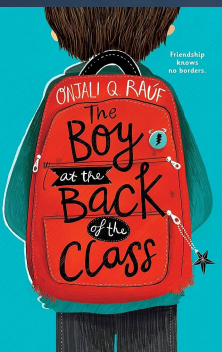

Our core text will be 'The Boy at the Back of the Class'. We will be reading this together and some of our reading comprehension lessons will be around this text.

## Religious Education

We will be studying the religion of Islam. We will be exploring what it means to be a Muslim in Britain today.

## History

Our History unit will explore the importance of the suffragettes and their movement for equal rights in voting..

In Term 2 the children will have their second Art unit - Renaissance Architecture and Sculpture. The children will be working with clay to create relief tile sculptures.
