

## History

In Year 5 this term, the children will investigate the Industrial Revolution. They will learn about the important parts of this time as well as its impact on our modern world.

## English

One of our key texts this term will be 'One Chance Dance' by Efu Traore. We will be using this book as an inspiration for our own exciting stories full of action.

## Maths

In maths this term, we will continue to learn about fractions but the children will also now see how fractions, decimals and percentages relate to each other.

## Science

In Science, our unit of learning is 'Forces'. The children will carry out investigations into water and air resistance.

# May The Force Be With You!

## Year 5 Term 3 Newsletter

Art: Art will be inspired by Western Africa.

Computing: Building artefacts using CAD.

Music: String - Ukulele

PE: Hockey and Dance

PSHE: Healthy Me.

RE: Christianity. We will focus on the meaning of the phrase: What Would Jesus Do?

### Important information:

- During the cold months, it is really important that all children have coats in school. Please could all property be named. Thank you.
- Please continue to encourage the children with completing their LKL. This consists of a CGP task, MyMaths, TTRockstars, recording their daily reading on Boom Reader and spelling practise. Thank you.
- We look forward to World Book Day in term 4 so get ready with your costumes and book ideas.
