

Aliens Love Underpants!

Term 4 Newsletter - Year 1

This term our core text is 'Aliens Love Underpants' and we will be learning about space throughout the term.

As circumstances are uncertain at the moment, we will confirm what we are doing for our Fabulous Finish towards the end of the term.

English

Whilst working with our fun core text 'Aliens Love Underpants', we will continue to understand the correct use of capital letters, finger spaces and full stops in our writing, as well as learning how to write text types such as letters and descriptions.

Maths

We will continue to work on many skills we have already learnt; consolidating and strengthening our understanding. We will continue practising our fluency by counting in our multiples of 2, 5 and 10 and looking at number bonds. We will also have a focus on numbers to 50 and working with measurement.

Science

We will be focussing on the seasons and seasonal change as we go from Winter to Spring towards the end of the term.

PSHE

This term is 'Healthy Me!' We will be learning about how to keep ourselves healthy both mentally and physically.

Art

In art we will be creating space art and looking at the artist David Hardy.

We will also be making alien sculptures and junk modelling rockets so please may we ask you to collect some specific junk modelling items? (milk bottle lids, plastic bottles and kitchen roll tubes are especially great for rockets!)

Geography

In geography, we will be looking at the countries of the UK and where we live. We will also be carrying out some fieldwork in our school and looking at compass points.

RE

As we draw closer to Easter, we will be learning about the Easter Story and Palm Sunday.
