

Key Messages:

Dear Parents/Carers,

What a wonderful first term we had! The children have settled in so well and have learnt so much already- they should be very proud of themselves.

As the weather changes, please make sure that your child/children have warm waterproof coats, wellies and a full set of spare clothes in their bags each day.

If you have any unwanted recycling (boxes, tubs etc), we'd love to have it for our arts and crafts area.

Thank you for your continued support,

Miss Talbot

Term 2 Let's Celebrate!

This term our topic is 'Let's Celebrate'. We will be exploring and learning all about different celebrations such as Bonfire Night, Diwali and Christmas. We will be supporting children to be curious about people around them, to see and understand similarities and differences. In this way, we hope to help our children at Bright Sparks to become curious and respectful about others and become positive members of a diverse world. It is a very exciting topic during which we will be making rangoli patterns, learning how to bhangra dance and we'll also be writing letters to Father Christmas!

This term we will also be learning about Autumn and all of the changes we see at this time of year.

WOW moments that we'll have this term...

- ★ Making salt dough diva lamps for Diwali.
- ★ Autumn treasure hunt.
- ★ A visit from the North Pole!
- ★ Elf on the Shelf.
- ★ Nursery Christmas show.

Some of our key texts this term:

Half term homework- Please go on an Autumn walk over half term and collect some autumn leaves/conkers/acorns etc. We would love to put these on our talking table in Nursery!
